

2023 - 24 Monthly Gatherings Scholarship Application

The Reggio-Inspired Network of Minnesota offers a yearlong scholarship which sponsors an individual to participate in the Saturday Gatherings for the 2023-24 year. Anyone with a deep curiosity about Reggio Emilia is encouraged to apply.

This scholarship, established by the Network's Board, is in honor of Sandy Burwell, a founding member of the Reggio-Inspired Network of Minnesota. Sandy has been particularly devoted to the Saturday Gatherings.
